### Tech Tip:

The colour of the face side on Stikit™ back up pads will have a direct impact upon the performance of that pad.

- Silver:** Slightly lower than standard adhesion, easiest removal characteristics.  
Use: Lightweight papers and very fine grades.
- Blue:** Standard level of adhesion, standard removal characteristics.  
Use: General Purpose.
- Red:** Improved level of adhesion, decreased removal characteristics.  
Use: Cloth and heavy weight papers in coarse grades.
