General Description

Formulated especially for adhering insulation materials in a wide variety of residential and commercial building or remodeling applications. Does not attack foam board insulation.

Saves work time and materials cost. Quick and easy to apply, 3M™ Insulation 78 Spray Adhesive allows you to spray, stick and save time and money. With one can equivalent to 12 caulk cartridges of mastic adhesive, this formula can make a big difference in the schedules and budgets of residential and commercial property construction. Because a single can covers more than 100 square feet, Insulation 78 is convenient for both large and small jobs.
